This order is made by Derbyshire County Council under section 53(2)(b) of the Wildlife and Countryside Act 1981 ("the Act") because it appears to that authority that the Definitive Map and Statement in respect of Belper require modification in consequence of the occurrence of an event specified in section 53(3)(c)(i) of the Act, namely, the discovery by that authority of evidence which when considered with all other relevant evidence available to them shows that the right of way referred to in this order which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates.

The authority has consulted with every local authority whose area includes the land to which the order relates. The Derbyshire County Council hereby orders that:
